

tinyobj::MaterialReader

```
classDiagram
    class MaterialFileReader["tinyobj::MaterialFileReader"]
    class MaterialReader["tinyobj::MaterialReader"]
    MaterialFileReader --|> MaterialReader
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'tinyobj::MaterialFileReader'. A blue arrow points upwards from this box to a gray box at the top labeled 'tinyobj::MaterialReader'. Both boxes have a black border.
